Committee Reports

- Redners (Suzanne Finger) – We continue to collect receipts
- Labels for Education – This program has ended and we will receive our final rewards
- Box Tops (Amy Ruppert) – Started second competition. Extra recess. She is exploring putting boxes at businesses to collect box tops in the community.

- Holiday Expo (Nicole Long, Tracy Tweedie, Naomi Morissette) – Seemed to go well. Vendors seemed happy. Will send a feedback form to the vendors to get feedback for next year. Might consider coffee, food for next year.
- Family Skate Night – First is February 9th. Tickets will be through Eventbrite and so we will have to increase tickets fee to \$9 per ticket. Open skate costs \$10. Ticket price has not been raised for several years. Discussion about raising ticket price to \$9.
- Science Fair – Friday, February 16th (later revised to March 16th). Boards go out end of January, but looking at options besides boards (e.g., power point or other tech options). Maybe different options per grade level. Basket raffles going well – some are already committed – further along than last year.
- Fun Fair (Reena Kolar) – June 1. Kona Ice guy is retiring but he referred us to KOP Kona Ice. Reena is negotiating with him but probably won't get as good a deal. Might not be worth the expense. Rita's is also expensive unless we can get parents to scoop buckets of Rita's. Could also rent sno-cone machine from Rental World. Will discuss other options as the committee.
- PSSA Celebration (Suzanne Finger) – Wants to confirm that the date April 27th works. Mr. D'Andrea said that date should work.
- Yearbook – No one from yearbook committee was in attendance. Feedback that the ReplayIt app might not be working. Will pass on to the committee.
- Art Show
- 5th Grade Celebration – Date and venue set. Will have meeting in the near future.
